HEARING CLERK

Ref:8EPR-ER

November 28, 2006

Mr. Todd King
Director of Environmental Affairs
CHS Inc.
5500 Cenex Drive
Inver Grove Heights, MN 55077

Re: Administrative Order CWA-08-2005-002

Dear Mr. King:

On November 5, 2004 a CHS Inc. truck went off-road, releasing 5,364 gallons of red-dyed diesel near milepost 222 of Highway 6 in Summit County, Colorado. The above-referenced Administrative Order (AO) was issued to CHS Inc. Upon receipt and review of the latest sampling data from samples collected in September of 2006, which continue to indicate that the threat of release to the north fork of the Snake River has been minimized, the U.S. Environmental Protection Agency has concluded that CHS Inc. has complied satisfactorily with the terms of the AO, and therefore the AO is closed.

Thank you for your attention and due diligence to this matter. If you have any questions regarding this close out letter, please call me at (303) 312-6799.

Sincerely,

Peter D. Stevenson, On-Scene Coordinator
Emergency Response Program
